The Magic Scouring Pad!

A special cleansing compound saturates each pad of S. O. S.

Why is S. O. S. the magic scourer? Because every pad combines grease cutting and scouring materials found in no other cleaner.

Just wet the pad and rub! The special cleansing compound lathers freely, loosening stubborn burned-on food and stains, while the soft pad removes them instantly. Nothing else to bother with.

S. O. S. polishes as it cleans. The result—a clean and shining pan so quickly and easily that you are amazed.

You can use S. O. S. over and over for cleaning aluminum, Pyrex, enamelware, stoves, drainboards, linoleum. Use it to save your hands—time—energy.
