\$2* Invested in Vogue May Save You \$200

The gown you buy and never wear is the really expensive gown! Hats, suits, negligees that just miss being exactly what you want, are the ones that cost more than you can afford.

Why take chances again this year when by simply sending in the coupon and at your convenience paying \$2—a tiny fraction of the loss on a single ill-chosen hat or gown—you can insure the correctness of your whole Spring and Summer wardrobe?

Before spending a single dollar on new clothes, before even planning your Spring wardrobe, consult Vogue's five great Spring Fashion numbers!

Beginning with the

Forecast of Spring Fashions

For \$2, a tiny fraction of your loss on a single ill-chosen hat or gown, you may have before you at this important buying season all five of these special Spring Fashion numbers. Not only that, but far into the Summer, the other numbers that follow them,

AGAIN WE APOLOGIZE

FOR the second time in two weeks have we found it necessary to apologize because of our inability to handle the great crowds of buyers who have visited our store. Yesterday we launched this phenomenal neckwear sale. With the opening of the doors the store was packed, and that was the condition throughout the day. All available help has been pressed into service, and we shall be able to take better care of the crowds today.

All of our beautiful Scarves that sold for \$4, \$3.50, \$3, \$2.50, \$2, \$1.50—absolute choice of the house, now
